When you access the "Online Proceedings" for the first time, you need to click the button "Request to Reissue Password" to get a password. The password will be sent to your e-mail address. If you forget your registration ID or have any login problem, please contact Mr. Yung-Ming Chiu <pobsadue@poetry-life.com>.

The conference will be held virtually with the Webex platform. For a keynote/tutorial session, there is a live Q&A after the pre-recorded video is played. For a regular session/special session/UDC session (excluding designers' forum), there is a joint live Q&A after all pitch talk videos are played. The links to join the sessions are available at the top of "Online Proceedings" web page above. The followings are the instructions about how to setup a Webex client, test Webex platform, join sessions, and conduct the Q&A.

ASP-DAC 2022 offers you an ideal opportunity to touch the recent technologies and the future directions of the LSI design and design automation fields. So please do not miss ASP-DAC 2022 virtual conference.

### **INITIAL Webex SETUP:**

- Please download and install Webex (<https://www.webex.com/downloads.html/>) in advance.
- Note: It is recommended to install Webex client for all operating systems instead of using a browser version. This would help avoid any issues that might be caused because of your browser.

### **Webex Tips:**

- Each session will have a session assistant, one or two session chairs, presenters, and participants.
- Session assistant is the user with a special icon by the side of the profile. This person facilitates the use of technology (NAME: Session Assistant \*).
- Session chair(s) is present to coordinate the session and manage Q&A. (NAME: Chair \*).

### **TESTING Webex PLATFORM BEFORE THE CONFERENCE:**

- To familiarize yourself with the operation of the conference platform, please click the link below anytime between Jan. 15, 2022, 10:00 – 23:59 (UTC+8).

### **HOW TO JOIN SESSIONS:**

- The links to join Webex sessions are available at the top of “Online Proceedings” web page.
- After you enter the Webex meeting, please find the session in which you are interested in the “Breakout Sessions”, which is at the top of the menu in Webex client and join it.

### **DURING THE SESSION:**

- For a regular session/special session/UDC session (excluding designers’ forum), the session assistant will play the pre-recorded pitch talk videos under the instruction of the session chair. After all videos in the session are played, there is a joint Q&A.
- For a keynote/tutorial session, the session assistant will play the pre-recorded video under the instruction of the session chair. After the video, there is a Q&A.
- Conducting the Q&A
  - Please click the “Raise hand” button to ask questions.
  - The session chair will call on the raised hands one by one to ask their questions.
  - If there are any questions posted on the public chat, the session chair will read these questions after all the oral questions have been asked and answered.
